What our couples say..

Would definitely recommend planning a wedding reception here. The views, the staff and organisation is incredible – me and my partner were amazed by the friendliness and service of the staff. Made our day extra special, would definitely plan another event here. Pictures looked incredible, all the lovely views surrounding the building and the amazing big windows. Would like to thank you all for making our day exactly how we asked and extra special.

I was very happy with our venue. The layout were perfect for us and we were also able to expand which meant we had plenty of options for layouts. The Waterfront was an added bonus! The staff were wonderful to work with while we were planning and very accommodating. On the day everyone was professional and ran like clockwork. I would 100% recommend and would use this venue again for other events.

We had our wedding reception at The Waterfront in April 2019 and it was the most incredible day. We were a little worried at first as we booked 18 months prior to the wedding date and a few wedding coordinators left and joined but in the end, Katarina was the most wonderful coordinator to deal with and we cannot thank her enough for providing us with the most incredible day. Katarina honestly cannot do enough for her clients; she is always quick to call or reply to emails and is such a perfectionist! The room was decorated beautifully, the food was gorgeous and all the staff were so helpful. Everything about our day was more than we could have ever dreamed of!

Covid had put an indent on my dream wedding, but Matt and the team went above and beyond in every aspect, detail, and element in order to create something I had never imagined and yet was the most perfect night of my life. From the food, which was changed by me a million times, and still accommodated, to the decoration, and preparation, which looked divine, to the service, the hostesses and much more. Matt, and the rest of the team truly were friendly, hospitable and helpful. The view was impeccable, stunning for beautiful pictures.

Overall....Amazing

Yusra H. Married on 21/05/2021

We would like to say thank you to you and your team for helping make our day go so well. The room looked fantastic and the food was amazing, we had no complaints from our guests and some of them are really fussy.

Laura. Married on 07/04/2018

Thank you so much for all your efforts in helping and being instrumental in making our wedding such a fabulous occasion. And a bigger thank you for all the lovely compliments and all the congratulations. We had a wonderful time and being in the lovely venue of the Holiday Inn made it special. The breakfast and drinks were lovely and delicious and all of our guests thoroughly loved it. The décor you provided looked amazing and added that extra spark to our special day. So again, from the bottom of our hearts we thank you so much.
